

Your office in Germany

Your office in Germany

**As you expand into the German market,  
we can offer you:**

- a telephone number in Germany
- an e-mail address in Germany
- a postal address in Germany
- qualified multilingual personnel

*This makes it easy for your customers to reach their travel destination.*

# Tourist Information

## Advantages at a glance

- Friendly response in German
- Messages logged and forwarded to you by e-mail straight away
- Extra customer service = you will stand out from the competition
- No worries about phoning abroad, no worries about costs, and no language difficulties.

*Easy for your customers to get in touch.*

# You are welcome

**Publication of German contact data  
in all your communication channels,  
such as:**

- Website
- Catalogues
- Flyers
- Advertisements
- Letterheads

*The German market will open its doors for you.*

# Advertising your business

ADVERTISING YOUR BUSINESS

- Predictable and manageable costs
- Choice between fixed or variable costs
- Considerable savings of costs for personnel
  - reduced cost for qualified multilingual employees
  - no holiday pay or sick leave payable.

## Cost advantages

## This is what happens:

- Phone calls and e-mails will be received by our qualified personnel at prearranged times
- We respond in your name and forward all information to you in English by e-mail.

*Catalogues and information whitepapers on demand.*
